

The health and safety of A List Limousine Passengers, Employees, and Partners is our highest priority, we continue to evaluate and adjust our operations to meet the evolving guidelines from the CDC and local government officials. As we continue to manage our way through this crisis, we are taking steps to proactively safeguard our operations and ensure the health and safety of our Chauffeurs and Passengers.

Per CDC and government official guidelines, A List Limousine has implemented the below protocols.

In order to protect our Employees and Clients, Passengers with COVID-19 symptoms such as cough, fever, or chills will not be able to utilize A List Worldwide services!

**These are the steps we take to proactively safeguard our operations and ensure the health and safety of our chauffeurs and passengers:**

- Employees will not be permitted to work if they are displaying symptoms of COVID-19.
- Vehicle exteriors are hand washed daily.
- ALL Vehicles are disinfected daily PRIOR to leaving the garage by our onsite maintenance staff and in-between every ride by our Chauffeurs using disinfecting wipes paying special attention to seating areas, armrests and door handles and as they return back to our garage.
- Sanitizing Alcohol Wipes and / or Alcolgel will be available in vehicles for Chauffeurs and Passengers.
- Chauffeurs will be required to wear face covering mask and gloves.
- Chauffeurs will handle all door handles
- Customers may handle their own luggage if they wish to do so.
- Physical contact and sharing of any items between our Chauffeurs and Passengers is strongly discouraged

Warmest wishes for Health and Safety,

Avi Karpel / President
